Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2026 of **Henllys Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- **Line 3 Total Other Receipts**
As part of our audit testing we requested third-party supporting documentation for all material receipts and payments. For receipts example accounting records we would expect to be retained by the Council for its own records, and to be able to provide to audit, would include remittances, receipts, grant award letters or other correspondence with the paying body. The Council provided bank statements agreeing the income receipted but was not able to provide the requested third-party supporting documentation for its material sources of other receipts.

I am unable to conclude if Line 3 of the accounting statement properly presents the Council's other receipts.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Annual Governance Statement, Assertion 10.

The Council has prepared its annual governance statement in respect of 2025-26, however it has left Assertion 10. of the statement, General Power of Competence, blank.

We recommend that the Council documents a response to all assertions on the AGS, including assertion 10. Where a Council has not resolved to adopt General power of Competence it should tick 'No' to Assertion 10.

Minuting agreed precept amount

The Council has minuted its approval to levy a precept in 2025-26, however the minute in question (13/01/2025 item 8) only refers to the discussion, rationale and agreed increase compared to the prior year.

The Local Government Finance Act 1992 requires the Council to set its precept as its calculated budget requirement. This means that the precept should be stated as a gross sum of money to be received by the Council.

We recommend in future years the Council should state the total amount of the precept that is to be raised rather than a comparison to an undisclosed amount.

Minuting decision on members allowances

The Council has minuted its decision to pay members allowances in line with the Independent Remuneration Panel for Wales (IRPW) (09/02/2026 item 16) however it has not minuted its decision on whether or not to pay civic head/deputy civic head allowances and how many senior role allowances to pay.

We recommend in future years the Council should minute its decision on paying civic head/deputy civic head and senior role allowances.

There are no further matters I wish to draw to the Council's attention.
