9. Approval of Council Tax & Budget 26/27

The forecast for the current year & budget for next year both show deficits , £9.6k & £8k respectively .

These deficits will reduce the reserves held to £12.7k .

Given the Council's responsibilities , particularly in relation to the maintenance of the equipment in the Dorallt Park , reserves of £12.7k are inadequate & in previous years Council has aimed to keep a minimum reserve of £20k.

In addition , the budget for next year makes no provision for core funding for the Village Hall .

The budget for 26/27 shows a significant gap between income and expenditure & a line-by-line review of the budget was undertaken & this produced a revised deficit of £4.9k.

It was agreed to increase the rate of council tax by £5.05 for a Band D tax payer making the charge £38.72 per year.

In view of the costs of the Play Clubs & Summer Playscheme TCBC are to be invited to a future meeting to explain the cost of these activities & the arrangements made by other community councils .
